

As of January 26, 2017

GHCSO (Golden Hills CSD) has no sign Ordinances. What we do have is 19 sets of CC&R's which are on our website under "documents". <https://ghcsd.com/>

Many of them address signs with a limit of two square feet in size and strictly for the purpose of property being for sale or lease. Also references location of these signs. There may be differences between the tracts.

Thank you for your inquiry.
